

## Celebration of Life Tree Program

*Magnificent trees ... they shelter us, warm us, shade us and provide us with life giving oxygen. One of nature's best gifts to mankind, the planting of trees has always symbolized peace, life, growth and hope for the future.*

Planting a tree is a meaningful way to remember and celebrate the lives of the people we love. It's an enduring gift for the future that also helps the environment. A gift of trees is suitable for holidays, memorials, graduations, birthdays, anniversaries or any life passage or achievement you want to celebrate or honor.

*Visalia Parks & Recreation Foundation invites you to celebrate your milestone by planting trees in our parks or along our trails or waterways.*

<b>Seed Level</b>	<b>\$50 donation to the Celebration of Life Program (fund)</b>
<b>Tree Level</b>	<b>\$275 contribution per tree</b>

Your tree(s) will be planted in a predetermined public park or along a trail or waterway and the name of your honoree will be placed on a collective stone marker near the tree. An acknowledgement letter is sent to you, the donor, and a certificate suitable for framing is sent to the honoree or their family.

The new trees will be planted in an area chosen especially for this program. A tree appropriate to the site will be selected from the City's approved tree and plant list.
